The Tenth International Conference on Waste Management and Technology
Towards Environmental Quality Improvement

The First Round Announcement

Date: *October 28-30, 2015*

Venue: *Mianyang, Sichuan Province, China*

Host: *Tsinghua University*

*Center of Solid Waste and Chemical Management Technology, Ministry of
Environmental Protection of China*

Southwest University of Science and Technology

United Nations Environment Programme

*Stockholm Convention Regional Centre for Capacity-building and the Transfer of
Technology in Asia and the Pacific*

Organizer: *Basel Convention Regional Centre for Asia and the Pacific*

*Key Laboratory of Solid Waste Treatment and Resource Recycle (SWUST),
Ministry of Education*

The Society of Solid Waste of Chinese Society for Environmental Science

*Chinese Research Academy of Environmental Sciences, Research Institute of
Solid Waste Management*

Co-organizer: *Key Subject Laboratory of National Defense for Radioactive Waste and
Environmental Security*

Sichuan Province Cyclic Economy Research Center

ICWMT is an important international platform for specialists and officials to discuss scientific problems, exchange experiences, and look for innovative solutions. Initiated by Basel Convention Regional Centre for Asia and the Pacific, ICWMT has been ongoing for 9 years since its inception in 2005. On a yearly basis, ICWMT is known to attract a great number of participants from governments, research institutions, universities and industries. In fact, there were more than 500 delegates from 32 countries participating in ICWMT9.

*The ICWMT10 will be held at **Mianyang, Sichuan Province** on October 28-30, 2015. The theme of ICWMT10 is “Towards Environmental Quality Improvement”. Specialized experts and government officials will be invited to give keynote speeches on the pressing issues of solid waste; this will in turn provide the opportunity to share and exchange ideas among participants. In addition, free technical field trips to e-waste and hazardous waste treatment plants will be arranged.*

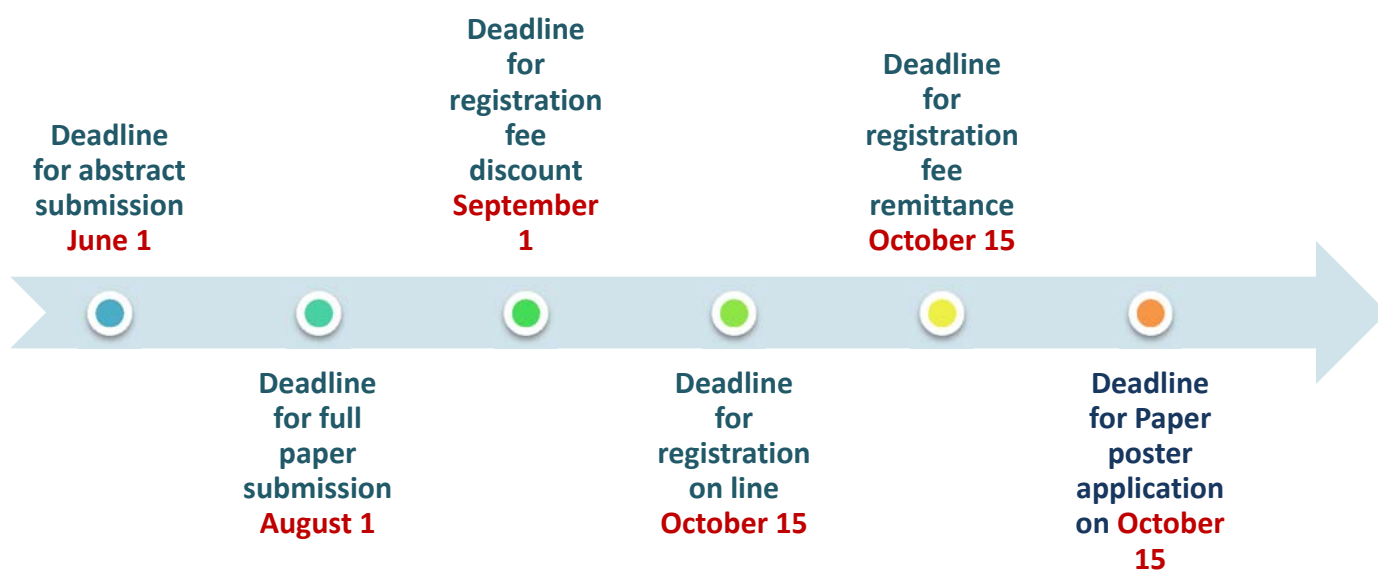

Call for Papers

Welcome papers with the following topics:

- WEEE management policy and technology
- Hazardous waste management and sound disposal
- POPs waste management and disposal
- Mercury waste management and sound disposal
- Sludge management and utilization
- Contaminated sites environmental regulation and governance
- Circular economy and urban mining
- Industrial solid waste comprehensive utilization and disposal
- Household waste recycling and treatment

- Biomass comprehensive utilization
- End-of-life vehicle recycling
- Polymer waste utilization and pollution control
- Regional and sub-regional chemicals management
- Energy production from waste materials
- Social and environmental impact on waste
- Nuclear waste and environmental safety
- Extended Producer Responsibility (EPR)
- Landfill leachate disposal
- Construction and demolition (CD) waste disposal

Important Dates

Paper Requirements

Please submit the abstract and full-text paper on <http://2015.icwmt.org> with the above topics.

All the accepted papers will be formally **published by ELSEVIER** and submitted for ***EI (Engineering Index) and CPCI (ISTP) index***. The outstanding papers will be awarded

and published in a special issue of **SCI** journal after peer review.

Enterprises Exhibition& Poster Time

The session will be that of great variety and interactivity which provides an opportunity among authors, experts and enterprises to exchange information and technology. The outstanding papers to be awarded will be based on the feedback of posters.

Technical Field Trip

Free technical field trip will be arranged in the afternoon of 27th October.

Language

English will be the main language of the ICWMT 10 but simultaneous interpretation in English and Chinese will also be offered at the plenary session.

Registration Fee

General participant		Student
Before September 1	After September 1	
400 USD	500 USD	300 USD
