

The 11th International Conference on Waste Management and Technology
Basel Convention Regional Centre for Asia and the Pacific

School of Environment, Tsinghua University, Beijing 100084, P.R.China
Tel: +86-10-62794351 Fax: +86-10-62772048 E-mail: icwmt@tsinghua.edu.cn

The Eleventh International Conference on Waste Management and Technology
Green • Low-carbon • Circular • Development

The First Round Announcement

Date: October 21-24, 2016

Venue: Beijing, China

Host: Tsinghua University;

Center of Solid Waste and Chemical Management Technology, Ministry of Environmental Protection of China;

United Nations Environment Programme;

Stockholm Convention Regional Centre for Capacity-building and the Transfer of Technology in Asia and the Pacific;

Organizer: Basel Convention Regional Centre for Asia and the Pacific;

The Society of Solid Waste of Chinese Society for Environmental Science;

Chinese Research Academy of Environmental Sciences, Research Institute of Solid Waste Management;

Co-Organizer: International Waste Working Group

ICWMT is an important international platform for specialists and officials to discuss scientific problems, exchange experiences, and look for innovative solutions. Initiated by Basel Convention Regional Centre for Asia and the Pacific, ICWMT has been held 10 times since its inception in 2005. On a yearly basis, ICWMT is known to attract a great number of

participants from governments, research institutions, universities and industries. There were more than 500 delegates from nearly 30 countries participating in ICWMT10.

*The ICWMT11 will be held at **Beijing, China on October 21-24, 2016**. The theme of ICWMT11 is “Green •Low-carbon •Circular •Development”. Specialized experts and government officials will be invited to give keynote speeches on the pressing issues of solid waste; this will in turn provide the opportunity to share and exchange ideas among participants. In addition, free technical field trips to e-waste and hazardous waste treatment plants will be arranged.*

Call for Papers

Welcome papers and presentations with the following topics:

- Hazardous waste management and safe disposal
 - Hazardous waste characterization
 - Hazardous waste environmental risk assessment
 - Hazardous waste management and convention implementation
 - POPs waste management and disposal
 - Waste containing heavy metal management and disposal
- Solid waste with high value-added management and recycling
 - WEEE management and recycling
 - End-of-life vehicle management and recycling
 - Polymer waste utilization and pollution control
- Biomass treatment and resources energy utilization
 - Clean incineration and ash treatment
 - Sustainable landfill, leachate and landfill gas treatment and utilization

- Anaerobic digestion
- Mechanical biological treatment
- Sludge treatment and recycling
- Kitchen waste treatment and recycling
- Circular economy and urban mining development
 - Circular economy design
 - Resource conservation technologies
 - Circular economy implementation in enterprises
 - Circular economy measurement for products
 - User driven circular economy
- Waste management evaluation
 - Life cycle assessment
 - Material flow analysis
 - Evaluation methods
 - Decision support tools
- Industrial solid waste comprehensive utilization
- Construction and demolition waste disposal and utilization
- Regional chemicals management and emergency response
- Contaminated site remediation and environmental supervision
- Solid waste management and greenhouse gas reduction
- Final sinks
- Technology transfer

Important Dates

Paper Requirements

Please submit the abstract and full-text paper on <http://2016.icwmt.org> with the above topics. All the English accepted papers will be formally **published by ELSEVIER** and submitted for ***EI (Engineering Index) and CPCI (ISTP) index***. The Chinese Papers will be compiled into the Chinese processing but will not be published. The outstanding papers will be awarded and recommended to **SCI** journal after peer review.

Enterprises Exhibition & Presentation

The session will be that of great interactivity which provides an opportunity among delegates to exchange information and technology. Enterprises who has interest to make exhibition or presentation on conference are encouraged to contact.

Poster Time & Oral Presentation

The authors are encouraged to make a poster or give an oral presentation of paper. The outstanding papers recommended to SCI journal will be based on the audience's feedback of posters or oral presentation.

Technical Field Trip

Free technical field trip will be arranged in the afternoon of 21st October.

Language

English will be the main language of the ICWMT 11 but simultaneous interpretation in English and Chinese will also be offered at the plenary session.

Registration Fee

General participant		Student
Before September 1	After September 1	
400 USD	500 USD	300 USD

Notice: Registration fee includes cost of paper publication, lunch and meeting materials.

Bank Information

Item	USD Account
Account title	TSINGHUA UNIVERSITY
Account	778350033647
Bank name	The Bank of China, Head Office
Bank address	No.1, FuxingmenNei Avenue, Beijing, PRC, 100818
Swift code	BKCHCNBJ
Telex number	22254 BCHO CN
Post script	ICWMT 11,School of Environment

Notice: Please remember to upload the bank receipt in your registered account.
